MARINE MARVELS: CAREER SCENARIOS!

Follow these steps to solve an environmental scenario.

Step 1: Have someone read your assigned scenario.

Fill in the blank: The sea turtle in my scenario has this issue:

_____

_____

Step 2: Read the career card descriptions outloud so everyone in the group can hear.

Step 3: Discuss 5 to 6 steps that need to happen between the moment your turtle is found to the moment a solution is found. Match a career to each step. Order the career cards on your desk from first to last person to take a helpful action.

Step 4: Explain the order in which each professional helps by numbering them from 1-5 and answering the following questions:

SEA TURTLE STRANDING RESPONDER

Circle the correct number: I'm helper number: 1 2 3 4 5

Fill in the blank: I help the turtle by taking this action: _____

_____
